East Washington Household Hazardous Waste

Your hazardous waste and electronics can now be safely collected from each home by calling [412.429.2600](tel:412.429.2600).

Look through your home for hazardous items that need discarding – everything from batteries and paint to computers and chemicals – and feel secure knowing Republic Services® will handle these special items, protecting both you and the environment!

Residents who call will be asked to describe the items they want collected. They will be asked to use a special kit, which will be delivered to them, to collect the items. Each kit includes a 42-gallon clear plastic bag and detailed instructions on how to safely package the items, along with a collection date. These items **MUST** be kept in a secure location, **NOT** at the curb, until collection. The only exception is a single item weighing 50 lbs. or more, such as a large TV, which must be placed at the curb. On your collection day, Republic Services personnel will collect the specially packaged items and recycle them.

Here is a list of items that Republic Services will collect (5 gallons or less):

- Paint (latex & oil-based)
- Paint thinners
- Gasoline
- Solvents
- Oil
- Petroleum-based lubricants
- Ethylene
- Glycol
- Antifreeze
- Pesticides/herbicides
- Aerosols
- Mercury/mercury debris
- Light bulbs (fluorescents, compact fluorescents [CFL])
- High-intensity discharge (HID) lamps
- Batteries (lead acid, alkaline, NiCad)
- Pool chemicals/cleaners (acidic & basic)
- Resins & epoxy

Republic Services will NOT accept the following:

- Radioactive compounds
- Smoke detectors
- Ammunition/explosives
- Tires
- Asbestos
- PCBs (Polychlorinated biphenyls)
- Pharmaceuticals/controlled substances
- Biological/infectious waste
- Medical sharps
- Fire extinguishers
- Propane tanks

There will be a \$4.05 service price increase starting with your Q2 2021 invoice.

Thank you for your attention to this matter. Please call Republic Services® at [412.429.2600](tel:412.429.2600) with questions.
