Recycling & Waste Container Placement & Collection

- All recycling and waste must be placed at the curb no later than 6 a.m. Late set out will be noted and may not be picked up.
- Waste should be in properly secured containers (60 pounds or less) or plastic bags (35 pounds or less).
- Hedge cuttings, limbs and branches should be securely tied and should not exceed 48 inches in length; branches should not exceed 3 inches in diameter. Christmas trees in December, January and February will be picked up curbside.
- Bulk items will be accepted at curbside (limit 2 per week).
- Carpet should be rolled and tied in lengths not to exceed 48 inches.
- Empty paint cans and/or dried paint is acceptable. Paint can be dried by air drying or soaking up with newspaper or kitty litter. Lids should be left off.
- Items such as refrigerators, freezers, air conditioners, dehumidifiers, water coolers, or any other appliance containing refrigerant will only be picked up if the item has a sticker certifying the refrigerant has been removed. If there is no sticker certifying removal, we will not pick up the item due to laws prohibiting disposal without certification the refrigerant has been removed. It is suggested that you have the company delivering the new appliance dispose of the old appliance to save on the removal cost of the refrigerant.
- Remove recycling and waste containers from the curb within 24 hours of collection.
