ELECTRONIC WASTE AND HOUSEHOLD HAZARDOUS WASTE (HHW) COLLECTION IS INCLUDED WITH YOUR SERVICE.

Household Hazardous Waste

Look through your home for hazardous items that need discarding, everything from batteries and paint to computers and chemicals, and feel secure knowing Republic Services will handle these special items, protecting both you and the environment.

Residents who call will be asked to describe the items they want collected. They will be asked to use a special kit to collect the items, which will be delivered to them. Each kit includes a 42-gallon clear plastic bag and detailed instructions on how to safely package the items, along with a collection date. These items MUST be kept in a secure location; NOT at the curb, until collection. On the collection day, Republic Services personnel will collect the specially packaged items and recycle them.
